EVA C. RABAYA, MD, DPAFP, MBA-HA
Provincial Health Officer II
Provincial Health Office
Kidapawan City, Province of Cotabato

Dear Dr. Rabaya:

Greetings of Peace!

An Integrated Hospital Management Information System (iHOMIS) is crucial for modern healthcare institutions due to its multifaceted benefits. By consolidating various hospital functions into a unified platform, iHOMIS streamlines workflow processes minimizes errors, and enhances efficiency. Access to comprehensive patient information empowers healthcare providers to deliver personalized care, leading to improved patient outcomes.

In to this, we would like to inform you that the Information and Communication Technology (ICT) Team will be conducting an orientation on May 29-31, 2024 to the following hospitals, namely:

1. Cotabato Provincial Hospital
2. Alamada Provincial Community Hospital
3. Aleosan District Hospital
4. Dr. Amado B. Diaz Provincial Foundation Hospital
5. Fr. Tulio Favali Municipal Hospital
6. M'lang District Hospital
7. Arakan Valley District Hospital
8. President Roxas Provincial Community Hospital

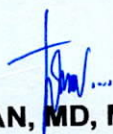

Relatively, kindly prepare your equipment such as laptops for each participant and the place for training. Additionally, make your concerned health workers and IT staff available during this period.

We would like to confirm that your good office will be providing the venue, accommodation, and food for the participants and speakers.

For queries and concerns, you may contact **Mr. Garizaldy B. Epistola-CMT III** at **09650924510** or **Ms. Rachel Barredo-CMT II/COS** at **09067649694** or by email address at **ict@ro12.doh.gov.ph**.

Thank you.

Sincerely yours,

ARISTIDES CONCEPCION TAN, MD, MPH, CESO III
